SALON PHILOSOPHY

Our staff of highly qualified hair stylists have provided a unique experience in hair, skin, and nail care for men, women, and children of every age.

Our stylists and technicians take every opportunity to advance their knowledge through education. Education prepares them for changing techniques, product improvements, and the introduction of new services.

They believe that by always advancing their education they are able to provide you, our valued client, with the best service possible. It is our intention to promote a professional atmosphere at all times.

We are proud to bring the finest workmanship and service to you.

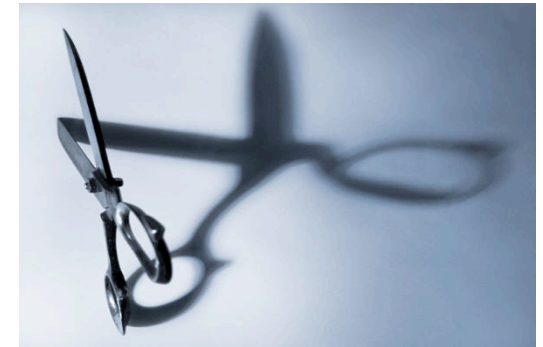

Your satisfaction is guaranteed.

To top off any service, take home some wonderful OPI Skin Quenchers lotion in different invigorating scents.

For artificial nails, how about a bottle of Emergency Glue for a quick at home repair. See a nail color you like, just ask and we can order it just for you!!!
